

ONCE AGAIN,  
SOMETHING GOOD IS COMING...

*Kizashi*  
SPORT AWD

Way of Life!

# Kizashi

SPORT AWD

Ladies and Gentlemen, it is my great pleasure to officially confirm that the outstanding Kizashi Sport All Wheel Drive will be added to our line-up, as the flagship model of the Kizashi range. Wholesales will start from August 16, 2010.

After the successful launch of Kizashi that has seen the vehicle achieve media and public praise enhancing the Suzuki brand, the arrival and promotion of Kizashi Sport AWD will provide a second wave for our launch program. I strongly encourage all Dealers to embrace this exciting new model with showroom displays, demonstrator stock, and marketing activity that belies this spectacular car.

The Kizashi Sport All Wheel Drive is a truly outstanding vehicle that will further extend the benchmark Suzuki has set in the mid-size segment. Setting a new standard for performance sports handling, its Intelligent All Wheel Drive system intuitively adjusts the engine torque between front and rear wheels according to road and driving conditions, thus maximising AWD performance and delivering superior control on the most challenging surfaces. It will literally give drivers a sixth sense for the road.

SPORT AWD

## SPORTY ENHANCEMENTS

The Kizashi Sport AWD not only includes an advanced intelligent All Wheel Drive (i-AWD) system that eclipses competitor offerings, but also adds sports suspension and a host of exterior and interior aesthetic additions that make the Sport AWD an even more striking, innovative and athletic looking Kizashi.

Further details of this new model will be provided closer to the on sale date. Product Knowledge sessions will also be held in each state to provide Dealer Sales Personnel with all the Features, Advantages and Benefits to make the Sport AWD a sales success.

Please find enclosed dates of these Product Knowledge sessions to flag in all your staff's diaries.

Kinds regards,

Tony Devers  
General Manager – Automobiles  
Suzuki Australia Pty. Ltd.

## KIZASHI SPORT ALL WHEEL DRIVE PRODUCT KNOWLEDGE SESSION DATES:
